Complaints procedure

Statement of purpose

Our setting believes that children and parents are entitled to expect courtesy and prompt, careful attention to their needs and wishes. We welcome suggestions on how to improve our setting and will give prompt and serious attention to any concerns about the running of the setting. We anticipate that most concerns will be resolved quickly by an informal approach to the appropriate member of staff. If this does not achieve the desired result, we have a set of procedures for dealing with concerns.

Aim

We aim to bring all concerns about the running of our setting to a satisfactory conclusion for all of the parties involved.

Methods

To achieve this, we operate the following complaints procedure. All settings are required to keep a 'summary log' of all complaints that reach stage 2 or beyond. This is to be made available to parents as well as to Ofsted inspectors. A full procedure is set out in the Pre-school Learning Alliance publication 'Complaints Summary Record'. This publication acts as the 'summary log' for this purpose.

Making a complaint

Stage 1

- Any parent who has a concern about an aspect of the setting's provision talks over, first of all, his/her worries and anxieties with the setting manager/registered provider.
- Most complaints should be resolved amicably and informally at this stage.

Stage 2

- If this does not have a satisfactory outcome, or if the problem recurs, the parent moves to Stage 2 of the procedure by putting the concerns or complaint in writing to the setting leader/registered provider. We will respond to the complaint within 28 days.
- For parents who are not comfortable with making written complaints, there is a template form for recording complaints in the above-mentioned publication; the form may be completed with the person in charge and signed by the parent.
- The setting stores written complaints from parents in a secure Complaints file. However, if the complaint involves a detailed investigation, the setting leader may wish to store all information relating to the investigation in a separate file designated for this complaint.
- When the investigation into the complaint is completed, the setting leader or manager meets with the parent to discuss the outcome.
- When the complaint is resolved at this stage, the summative points are logged in the Complaints Summary Record.

Stage 3

- If the parent is not satisfied with the outcome of the investigation, he or she requests a meeting with the setting leader .The parent may have a friend or partner present if required and the leader may have the support of a senior manager present.
- An agreed written record of the discussion is made as well as any decision or action to take as a result. All of the parties present at the meeting sign the record and receive a copy of it.
- This signed record signifies that the procedure has concluded. When the complaint is resolved at this stage, the summative points are logged in the Complaints Summary Record.

The role of the Office for Standards in Education, Early Years Directorate (Ofsted) and the Area Safeguarding Children Committee.

- Parents may approach Ofsted directly at any stage of this complaints procedure. In addition, where there seems to be a possible breach of the setting's registration requirements, it is essential to involve Ofsted as the registering and inspection body with a duty to ensure the National Standards for Day Care are adhered to.
- The address and telephone number of our Ofsted regional centre are:

Ofsted. Piccadilly Gate. Store Street, Manchester. M1 2WD

Phone : 0300 123 1231 Email : enquiries@ofsted.gov.uk

- These details are displayed on our setting's notice board.
- If a child appears to be at risk, our setting follows the procedures of the Multi Agency Safeguarding Children Hub in our local authority.
- In these cases, both the parent and setting are informed and the setting leader works with Ofsted or the MASH team to ensure a proper investigation of the complaint, followed by appropriate action.

Records

- A record of complaints against our setting and/or the children and/or the adults working in our setting is kept, including the date, the circumstances of the complaint, and how the complaint was managed.
- The outcome of all complaints is recorded in the Complaints Summary Record that is available for parents and Ofsted inspectors on request.
